

Fossebrook News

Dear Parents,
Welcome back after the half term break. We have a lot of fantastic things to look forward to this half term; from the delivery of the trees to enhance our woodland, to our very first Christmas production on **Tuesday 13th December at 2pm**, as well as our first PTA meeting on Monday 14th November at 6pm to which you are all welcome. It was lovely to see so many of you at our parents evenings this week. Your opinions are important to us and we appreciate the opportunity to speak with you about your children's happiness and progress at school.

Key dates:

31st Oct: handwashing day with the school nurses.

4th November: trees arrive

14th November: PTA meeting 6pm all welcome

25th November: Flu immunisations for Y1 and Y2

Tuesday 13th December: Christmas production 2pm

Friday 16th December: end of term and Christmas jumper day.

Weather

As the clocks go back and in anticipation of the cold weather, please could I ask that all children have a coat in school.

School closure

Should we need to close the school in severe weather conditions, an announcement will be made on BBC radio Leicester. We will also inform you on our Twitter feed (@fossebrookps) and on our website. We will only close the school in extreme circumstances which prevent us from guaranteeing the safety of our pupils and staff.

SCHOOL PHOTOGRAPHS

The proof prints arrived in school late on Friday afternoon and will be distributed on Monday. Family photos will be given to the oldest child. Having had a peek, I am amazed with the quality of the photographs-the photographer was wonderful with the children and the results are superb. Please ensure you place your orders by the date given on the form to ensure swift delivery.

Parents' Advisory Board elections

We are looking forward to welcoming parents onto our school advisory board. Their role is to represent the parent voice and support the school in its ongoing development. Please remember to return your voting slips and thank you again to all of the parents who have volunteered to become part of the board.

School Nurse team

The school nurse team will be in school on 31st October to teach the children about the importance of washing their hands carefully and how to minimize the spread of germs. It will be lots of fun with glitter and all products are hypoallergenic. However, if you would like further information please speak to Mrs. Wade or your child's class teacher.

Christmas holiday club

Some of our parents have enquired about the provision of a Christmas holiday club to run in the week 19th-23rd December. We are keen to support you in childcare matters and will run a club if there is sufficient demand.

Please could you let us know by 30th November if you would like the club to go ahead.
