

Hook:
Pirate day

Land Ahoy

Focus: **Geography** and **DT/Science**

Characteristic foci:
Wellbeing + Articulacy

Trip:

Learning Journey:

Recap learning about the 7 different continents. Introduce the 5 different oceans. What are they called? Where are they located? Children to locate and label on a map.

Learning Journey:

Map the journey that Captain Hook took around the world. Where did he go? What were the countries like compared to home? Use Ipad's to research.
COMPARE TO NON EUROPEAN COUNTRY

Learning Journey:

Children to learn more about pirates - role of different pirates, famous pirates, features of a pirate ship, sea shanties, pirate lifestyle - what did pirates eat? What is different from what we eat now?

Learning Journey:

Link to previous lesson about what pirates ate. What do we eat now? What is a balanced diet? What are the different food groups? Children to try different foods from each food group. Can they create a healthy lunchbox?

Learning Journey:

Where does food come from? Children to create and design a healthy pirate snack to eat on Pirate Day. Children to prepare and cook their snack ready to be eaten. What did they like? What did they dislike? What would they change if they made it again? Could they make healthier choices?

Skills:

- Articulate how to be hygienic when working with food.
- Articulate how to be safe when preparing food.
- Use world maps, atlases and globes to identify continents and oceans.
- Use Ipad's for research
- Make comparisons—similarities and differences.
- Use compass skills

Curriculum Coverage:

- Science:** Describe the importance for humans to exercise, eating the right amounts of food and hygiene.
- Geography:** Name and locate the world's seven continents and five oceans
- Understand geographical similarities and differences through studying the human and physical geography of a small area of the United Kingdom, and a small area in a contrasting non-European country.
- Use simple compass directions.
- Design and Technology:** Use the basic principles of healthy and varied diet to prepare dishes.
- Understand where food comes from.

Knowledge:

- Where does food come from?
- How can we prepare food safely?
- How can we be hygienic when preparing food?
- What makes a balanced diet?
- How can we live a healthy lifestyle?
- What food did pirates used to eat and why?
- What are the 5 oceans called?
- What are the 7 continents?
- Where is each ocean located?
- Where is each continent located?
- What are the 4 points on a compass?

Vocabulary:

- Balanced, Unbalanced, Healthy, Unhealthy, Diet, Carbohydrate, Protein, Fruit, Vegetables, Dairy, Fats, Sugars, Senses
- Hygiene, Germs, Safety, Prepare, Chop, Cut, Cook, Bake
- Ocean, Pacific, Atlantic, Indian, Southern, Arctic, Globe, Map, Similarities, Differences, Continents, Asia, Africa, North America, South America, Antarctica, Europe, Australasia, United Kingdom, north, south, east, west

Display Plan:

Labelled balanced diet

Outcome:

Children to create a healthy pirate snack to eat on Pirate Day

Land Ahoy

Focus: Geography and DT/Science

What do they already know?

Knowledge about the 7 continents

Knowledge about the 5 oceans

How will they remember it?

Recap prior learning from Year 1 at the beginning of the topic that links to new topic

Recap previous lessons at the start of each lesson

Class quizzes at the end of lessons

Play KABOOM

Make links between different topics clear to children to show how everything links together

Make links between what they learnt last year and how we are building on it this year

Key vocabulary to be displayed around the classroom

Key vocabulary word mats to support those who need it with learning new vocabulary

Which resources will I need?

Ipad's for research

Ingredients needed for cooking

Cooking utensils

What do I need to know to be able to teach this?

Information about Pirates

Cooking resources available in school
